

## **Klavierunterricht mit Sully!**

### **Learn piano with Sully!**

Hi there! :)

My name is Sully Wan and I recently moved to Allensbach from Shanghai, China. I am a professional piano teacher with 14 years of piano teaching experience.

I started learning piano since I was 4 years old. I passed Grade 10 in both Piano Practice and Music Theory of Shanghai Musicians Association piano grading exam at the age of 16 with distinctive grades. In University, I did not only keep learning piano performance and music education but also other art categories such as vocal, painting, acting, dancing etc. Therefore, I like to use the form of playing and singing to guide students to have a more concrete image of music and to enhance their learning interest and course experience.

My students age varies from 4 years old to adults. During my 14 years of teaching, I hold 1-2 student recitals every year and have helped many students pass the ABRSM (The Associated Board of the Royal Schools of Music) piano performance exams and music theory exams (grade 1-8). All my students have passed their exams and many students have received distinction awards which helped them enter universities in the USA or the UK.

I will teach you piano at my home in Allensbach or your home, whichever you prefer.

My mobile number is 01797628256, feel free to add me in WhatsApp! :)
